Our Mission

To raise funds for research that will enable prevention, treatment and cures of inherited retinal diseases.

Our Vision

By 2018 RAWA will be a well-known not for profit built on a foundation of volunteers with a sustainable fundraising portfolio funding 3 breakthrough research projects for inherited diseases.

Member Benefits

2014

This year we are delighted to provide the following member benefits.

- 10% Discount on tickets for selected fundraising events
- Purchase furniture from FTI Furniture & Bedding at wholesale prices saving up to 70% off RRP
- 20% discount off accomodation at Fairbridge Village

New benefits will be advertised on our website and Facebook page as new sponsors come on board.

What does Retina Australia (WA) do?

Retina Australia (WA) aims to increase public awareness of hereditary retinal diseases, specifically Retinitis Pigmentosa (RP), Macular Degeneration (MD), Usher Syndrome and Stargardt Disease.

Helps raise funds for scientific research into finding ways to effectively treat and prevent these diseases.

Retina Australia (WA) is one of the organisations specifically raising funds for the needs of families affected by inherited retinal disease in WA.

It is managed by people from affected families deeply committed to curing blindness.

Retina Australia (WA) is a registered charity (License 18056) and is considered a Deductible Gift Recipient.
